AmSpirit Bucks!

Great Chapters of AmSpirit Business Connections do whatever they can to maintain focus on doing the things that made them great...consistent attendance...bringing guests...generating referrals. One of the many ways of doing this is through the use of AmSpirit Bucks.

While there are endless variations on using AmSpirit Bucks, one popular way is as follows:

(1) Designate someone in the Chapter as being responsible for producing and distributing AmSpirit Bucks. This can be the Chapter Treasurer or it can be someone without a traditional leadership role. See the attached sample of AmSpirit Bucks.

(2) This banker then distributes an AmSpirit Buck to anyone in the Chapter who:

- Has perfect monthly attendance;
- Gave four or more qualified referrals; or
- Brings a guest to the Chapter

(3) Members can then use the accumulated AmSpirit Bucks to:

- Settle professional fees they owe to the Chapter; and/or
- Purchasing raffle tickets at periodic drawings where members contribute gift cards and prizes or the Chapter purchases similar items with some or all of the funds in the Chapter treasury.

AmSpirit Bucks is designed so Chapter members can have fun focusing on those actions and activities that serve to make it a more productive Chapter.
